

STONES LOW IRON FROSTED

PRODUCT INFORMATION

Stones Low Iron Frosted Textured Glass. Ideally suited for partitions or wall dividers, where the glass can be viewed from both sides, or the front side only. There will be an effective light transmission travelling through our Stones Glass, which will create a white glow in the frosted surface. At the same time, our Stones Frosted glass provides an effective, decorative, privacy barrier.

Application: Cladding, Partitions, Walls, Door Panels, Balustrades
