

AURORA TEXTURED GLASS

PRODUCT INFORMATION

Kiln-formed cast glass is chosen by architects and designers unwilling to compromise the luxurious detailing of handmade decorative glass. With 66 Classic Textures to choose from, designers are able to select patterns which are soft and elegant, or deep and bold. Our hand crafted textured glass instantly increases the richness of any application/setting in which it is used, providing function, privacy, and ample light transmission. Inherently non-porous, Nathan Allan decorative glass textures are easy to clean, providing bacterial protection and hygienic requirements, ideal for all projects.

Select from our Series of diverse patterns (Organic, Directional, West Coast, Embossed, and Geometric) to best match your design requirements.
